Michael Anderson

INCIDENT RESPONSE COORDINATOR

Detail-oriented Incident Response Engineer with 6 years of experience in the retail sector, specializing in cyber threat intelligence and incident management. Expertise in identifying and analyzing cyber threats targeting retail environments and developing effective response strategies. Proven ability to work under pressure and deliver results in fast-paced settings. Strong communication skills enable effective collaboration with cross-functional teams to enhance security measures.

EXPERIENCE

INCIDENT RESPONSE COORDINATOR

RetailSecure Inc.

2016 - Present

- Coordinated responses to over 150 security incidents, achieving a 25% decrease in incident resolution time.
- Developed threat intelligence reports to inform security strategies and decisions.
- Collaborated with IT and operations teams to implement security measures across retail locations.
- Conducted training sessions for employees on recognizing and reporting suspicious activity.
- Analyzed security incidents to identify trends and recommend improvements.
- Participated in the development of a security awareness campaign for customers.

CYBERSECURITY ANALYST

ShopSecure Technologies

2014 - 2016

- Monitored security systems for potential breaches and responded promptly to incidents.
- Assisted in the development of incident response protocols tailored for retail operations.
- Utilized security tools to detect and analyze cyber threats against the organization.
- Maintained documentation of incidents and response actions for compliance audits.
- Engaged in continuous learning to enhance knowledge of retail cybersecurity trends.
- Supported the implementation of new security technologies to safeguard customer data.
