WORK EXPERIENCE

Incident Response Officer 2020-2023

National Cybersecurity Agency

- Responded to over 80 security incidents involving critical infrastructure, achieving a 20% reduction in response time.
- Conducted forensic investigations to identify the root cause of incidents and recommend improvements.
- Collaborated with various agencies to develop incident response protocols for national security.
- Trained staff on cybersecurity awareness and incident reporting procedures.
- Developed incident reports to inform leadership of emerging threats and response actions.
- Engaged in threat hunting activities to proactively identify vulnerabilities.

Cybersecurity Intern 2019-2020

State Security Office

- Assisted in monitoring network traffic for potential security threats.
- Supported senior analysts in responding to security incidents and documenting findings.
- Participated in developing educational materials for cybersecurity training.
- Conducted research on emerging cybersecurity threats and trends.
- Helped in the preparation of incident response drills and exercises.
- Maintained logs of incidents and response actions for reporting purposes.

ACHIEVEMENTS

- Recognized for exceptional performance in managing critical incidents during training exercises.
- Contributed to the development of a national incident response framework.
- Achieved a commendation for outstanding teamwork in multi-agency incident responses.
