Michael Anderson

INDIVIDUAL EDUCATION PLAN SPECIALIST

Innovative Individual Education Plan Specialist with a focus on technology integration in special education. With over 5 years of experience, I have been at the forefront of utilizing assistive technology to enhance learning experiences for students with disabilities. My role involves creating and implementing individualized education plans that leverage technology to support diverse learning needs.

EXPERIENCE

INDIVIDUAL EDUCATION PLAN SPECIALIST

TechForward School

2016 - Present

- Developed technology-driven IEPs that incorporated assistive tools for students with learning disabilities.
- Trained teachers on the effective use of educational technology in the classroom.
- Collaborated with IT specialists to ensure accessibility of resources for all students.
- Monitored progress and engagement through data analytics tools.
- Organized workshops for parents on the benefits of assistive technology.
- Advocated for funding and resources to expand technology access in special education.

SPECIAL EDUCATION TECHNOLOGY CONSULTANT

Innovative Learning Center

2014 - 2016

- Provided guidance on the integration of technology into IEPs for students with special needs.
- Assisted in the selection and implementation of assistive technology tools in classrooms.
- Facilitated training sessions for educators on the use of technology in supporting diverse learners.
- Collaborated with parents to identify technology needs and develop individualized solutions.
- Evaluated the effectiveness of technology interventions through data analysis.
- Increased student engagement in learning activities by 35% through technology integration.
