

MICHAEL ANDERSON

Compliance Manager

Dynamic Industrial Compliance Engineer with over 9 years of experience in the construction industry, focusing on regulatory compliance and safety management. My expertise encompasses developing and implementing compliance strategies that align with local and federal regulations. I have successfully managed compliance audits, ensuring that projects meet safety standards while maintaining timelines and budgets.

WORK EXPERIENCE

Compliance Manager 2020-2023

BuildRight Construction

- Managed compliance audits for multiple construction projects, ensuring adherence to OSHA regulations.
- Developed compliance training programs tailored to different project teams.
- Collaborated with project managers to incorporate compliance measures into project planning.
- Monitored compliance metrics and prepared reports for senior management.
- Facilitated workshops on safety regulations and compliance requirements.
- Led initiatives that improved safety performance by 20% across projects.

Safety Compliance Officer 2019-2020

SafeBuild LLC

- Conducted site inspections to ensure compliance with safety regulations.
- Assisted in the development of safety protocols and compliance documentation.
- Participated in safety training sessions for construction staff.
- Monitored regulatory changes and updated compliance policies accordingly.
- Supported management during regulatory inspections and audits.
- Tracked compliance-related incidents and developed corrective action plans.

ACHIEVEMENTS

- Achieved a 30% reduction in safety incidents through enhanced compliance training.
- Recognized for leading successful compliance audits with zero findings.
- Implemented a compliance tracking system that improved reporting efficiency by 40%.
