EDUCATION

Bachelor of Science in Mechanical Engineering

University of Engineering
2016-2020

SKILLS

- plumbing engineering
- project leadership
- risk assessment
- advanced technologies
- client relations
- documentation

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Senior Plumbing Engineer

2020-2023

Innovative Plumbing Solutions

- Engineered plumbing systems for large-scale industrial projects.
- Conducted thorough risk assessments and safety audits to ensure compliance.
- Led project teams from conception through to completion.
- Utilized advanced software for project modeling and simulations.
- Collaborated with cross-functional teams to develop plumbing specifications.
- Mentored junior engineers and plumbers, fostering knowledge transfer.

Industrial Plumbing Technician

2019-2020

Eastern Plumbing Services

- Installed and repaired complex plumbing systems in manufacturing plants.
- Executed maintenance protocols to enhance system reliability.
- Participated in the selection and procurement of plumbing materials.
- Worked closely with clients to understand their plumbing needs and solutions.
- Maintained meticulous documentation of all plumbing activities.
- Conducted training on new plumbing technologies and practices.

ACHIEVEMENTS

- Successfully led a project that resulted in a 25% reduction in water usage.
- Received multiple accolades for excellence in project delivery and safety.
- Implemented a new training framework that improved team competency significantly.
