Michael Anderson

QUALITY COMPLIANCE TRAINER

Proactive Industrial Training Instructor with over 6 years of experience in the pharmaceutical industry, focusing on compliance and quality training. I have a strong passion for educating employees about regulatory standards and best practices in pharmaceutical manufacturing. My experience includes developing and facilitating training programs that ensure adherence to FDA regulations and internal quality standards.

EXPERIENCE

QUALITY COMPLIANCE TRAINER

PharmaWorks Ltd.

2016 - Present

- Designed and delivered compliance training programs that achieved a 98% pass rate on regulatory audits.
- Conducted training sessions on Good Manufacturing Practices (GMP) for over 300 employees.
- Utilized case studies and role-playing to enhance understanding of compliance issues.
- Collaborated with quality assurance to update training materials based on new regulations.
- Managed training records and ensured compliance with regulatory requirements.
- Facilitated workshops on quality improvement initiatives, gaining positive feedback from participants.
