MICHAEL ANDERSON

LEAD WIRING TECHNICIAN

Highly skilled Industrial Wiring Technician with a robust background in the installation and maintenance of electrical wiring systems in high-demand environments. Demonstrated success in managing multiple projects simultaneously while ensuring adherence to safety and quality standards. Proficient in utilizing cutting-edge tools and technologies to diagnose and repair wiring issues efficiently. A proactive problem solver with a strong analytical mindset, capable of identifying opportunities for process improvements.

PROFESSIONAL EXPERIENCE

Industrial Power Systems

Mar 2018 - Present

Lead Wiring Technician

- Oversaw the installation of complex wiring systems for large-scale industrial projects.
- Conducted comprehensive testing and troubleshooting of electrical systems to ensure optimal performance.
- Managed project timelines and coordinated with subcontractors to meet delivery schedules.
- Implemented quality control measures to enhance the reliability of wiring installations.
- Developed training materials and led workshops to enhance team knowledge on electrical systems.
- Engaged in direct communication with clients to align project outcomes with expectations.

Tech Electrical Services

Dec 2015 - Jan 2018

Electrical Technician

- Assisted in the installation and maintenance of electrical systems in residential and commercial buildings.
- Performed routine inspections and identified potential wiring hazards.
- Collaborated with engineers to implement design changes that improved system efficiency.
- Maintained detailed records of all installations and repairs performed.
- Provided exceptional customer service by addressing client inquiries and concerns promptly.
- Participated in safety training programs to promote workplace safety.

ACHIEVEMENTS

- Improved overall project completion rates by 40% through effective team management.
- Received commendation for excellence in client service and project execution.
- Successfully led a team to achieve a 100% safety compliance record over three years.
