### SKILLS

- Electrical installations
- Safety audits
- Troubleshooting
- Project documentation
- CAD tools
- Team mentorship

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**CERTIFICATE IN ELECTRICAL WIRING,  
VOCATIONAL SCHOOL, 2014**

### ACHIEVEMENTS

- Recognized for outstanding safety performance with a company award.
- Successfully completed over 100 wiring installations with zero incidents.
- Improved project turnaround time by 20% through efficient workflow management.

### WORK EXPERIENCE

#### INDUSTRIAL WIRING SPECIALIST

Energize Electrical Services

2020 - 2025

- Installed and maintained electrical wiring systems for various industrial applications.
- Conducted safety audits and inspections to ensure compliance with electrical codes.
- Utilized testing equipment to diagnose and repair wiring faults effectively.
- Documented installation processes and maintained accurate project records.
- Provided mentorship to junior staff on wiring best practices.
- Collaborated with engineering teams to enhance wiring designs for efficiency.

#### ELECTRICAL INSTALLER

Dynamic Wiring Solutions

2015 - 2020

- Assisted in the wiring of commercial buildings, ensuring compliance with local regulations.
- Performed regular maintenance and inspections on existing wiring systems.
- Utilized CAD tools to create wiring layouts and schematics.
- Engaged in troubleshooting and repair of electrical systems to minimize downtime.
- Maintained an organized inventory of tools and materials for project efficiency.
- Participated in safety training and workshops to enhance workplace safety awareness.
