EDUCATION

MASTER'S IN LABOR RELATIONS FROM CORNELL UNIVERSITY

ACHIEVEMENTS

- Developed a comprehensive report on wage disparities that influenced state labor laws.
- Received the Award for Excellence in Labor Research for impactful contributions.
- Successfully advocated for a local initiative to improve job training programs for underrepresented groups.

Analytical and passionate Inequality Researcher with expertise in labor market disparities and employment trends. Over 8 years of experience examining the effects of socioeconomic factors on workforce participation and job quality. Proficient in using advanced statistical methods to analyze labor market data and generate insights that drive policy recommendations. Committed to advocating for fair labor practices and equitable employment opportunities.

WORK EXPERIENCE

LABOR MARKET RESEARCHER
Bureau of Labor Statistics
2020 - 2025

- Conducted extensive research on employment trends among low-income populations.
- Utilized econometric models to analyze the impact of policy changes on job availability.
- Collaborated with government agencies to develop reports on labor market disparities.
- Presented findings at industry conferences, promoting discussions on labor equity.
- Designed surveys to gather data on worker experiences and job satisfaction.
- Mentored interns in research methodologies and data analysis techniques.

RESEARCH ASSOCIATE
Labor Equity Project
2015 - 2020

- Assisted in the analysis of data related to wage gaps and employment rates.
- Engaged with community stakeholders to understand barriers to employment.
- Contributed to the development of policy briefs aimed at reducing labor market inequalities.
- Supported outreach efforts to raise awareness of workers' rights.
- Participated in focus groups to gather qualitative data on workforce experiences.
- Helped organize community forums to discuss labor-related issues and solutions.
