Michael Anderson

INFOGRAPHIC DESIGNER

Versatile Infographic Designer with a rich background in technology and software development. Specializes in creating infographics that simplify complex technical information for non-expert audiences. Proven ability to collaborate with engineering teams to accurately depict software functionalities and data flows. Strong analytical skills enable the transformation of intricate data sets into comprehensible visuals that facilitate user understanding.

EXPERIENCE

INFOGRAPHIC DESIGNER

TechVisions

2016 - Present

- Created infographics that improved user comprehension of software features by 50%.
- Collaborated with product managers to gather requirements and define design objectives.
- Utilized user feedback to refine infographic designs, enhancing clarity and usability.
- Produced training materials that simplified complex technical concepts for end-users.
- Managed multiple design projects, adhering to strict deadlines and quality standards.
- Conducted presentations to technical teams on design strategies and user engagement.

GRAPHIC DESIGNER INTERN

Innovatech Solutions

2014 - 2016

- Assisted in the design of infographics for internal training and documentation.
- Collaborated with developers to visualize software architecture diagrams.
- Participated in brainstorming sessions for new design concepts and approaches.
- Maintained design files and assets for efficient workflow.
- Supported the marketing team with visual content for promotional materials.
- Engaged in continuous learning of design software and tools.
