MICHAEL ANDERSON

SENIOR INFORMATION SECURITY CONSULTANT

Results-driven Information Security Consultant with over 12 years of experience in the healthcare sector. My specialization in safeguarding patient data and ensuring compliance with HIPAA regulations has allowed healthcare organizations to maintain trust and reliability. I possess a deep understanding of cybersecurity frameworks and risk management strategies tailored for the healthcare industry.

PROFESSIONAL EXPERIENCE

HealthSecure Co. *Mar 2018 - Present*
Senior Information Security Consultant

- Designed and executed a security framework that decreased security incidents by 40% in a year.
- Conducted HIPAA compliance audits and provided remediation strategies to ensure organizational adherence.
- Developed and implemented employee training programs on data protection and security awareness.
- Collaborated with IT teams to enhance system security through advanced encryption techniques.
- Utilized security information and event management (SIEM) tools for real-time threat monitoring.
- Advised on secure data sharing practices, improving data integrity and patient confidentiality.

CareHealth Systems *Dec 2015 - Jan 2018*
Information Security Officer

- Implemented access control measures that led to a 30% reduction in unauthorized data access attempts.
- Conducted risk assessments and developed risk management plans for critical healthcare applications.
- Oversaw incident response efforts during data breaches, successfully minimizing patient impact.
- Created policies for data retention and disposal in compliance with regulations.
- Provided expert advice to senior management on security investments and strategies.
- Monitored compliance with external audits and regulatory bodies, ensuring continuous improvement.

ACHIEVEMENTS

- Recognized by HealthSecure Co. for outstanding contributions to improving patient data security.
- Successfully led a project that resulted in a 50% reduction in security audit findings.
- Achieved Certified Information Security Manager (CISM) certification.
