MICHAEL ANDERSON

CONSTRUCTION PROJECT MANAGER

Strategic Infrastructure Construction Manager with over 12 years of experience in large-scale project management within the construction sector. Expertise in orchestrating complex construction initiatives, ensuring that projects are delivered on time and within budget while adhering to the highest safety and quality standards. Adept at fostering collaborative relationships with stakeholders, including clients, subcontractors, and regulatory agencies.

PROFESSIONAL EXPERIENCE

Premier Builders Ltd.

Mar 2018 - Present

Construction Project Manager

- Oversaw the construction of commercial and residential projects, ensuring compliance with all regulations.
- Developed project timelines and budgets, tracking progress against established metrics.
- Led weekly project meetings to communicate updates and address challenges.
- Negotiated contracts with subcontractors to optimize project costs.
- Implemented safety training programs that reduced incidents on site.
- Monitored quality of work through regular inspections and audits.

Innovative Construction Group

Dec 2015 - Jan 2018

Assistant Project Manager

- Supported project managers in coordinating construction activities and schedules.
- Assisted in preparing project documentation and reports for stakeholders.
- Managed procurement processes, ensuring timely delivery of materials.
- Conducted site visits to monitor progress and compliance with safety standards.
- Facilitated communication between clients and project teams to ensure expectations were met.
- Evaluated contractor performance and provided feedback for improvement.

ACHIEVEMENTS

- Completed a mixed-use development project 10% under budget.
- Received 'Best Project Manager' award from the Construction Association.
- Implemented a new project tracking system that improved reporting accuracy by 40%.
