MICHAEL ANDERSON

LEAD INFRASTRUCTURE COST ANALYST

Results-oriented Infrastructure Cost Analyst with a demonstrated history of enhancing financial performance through strategic cost management. Expertise in analyzing infrastructure expenditures and implementing effective cost-control measures that optimize resource allocation. Accomplished in leveraging financial data to inform project decisions and drive operational efficiencies. Adept at fostering collaborative relationships with stakeholders to ensure alignment of financial objectives with project milestones.

PROFESSIONAL EXPERIENCE

Metro Development Group

Mar 2018 - Present

Lead Infrastructure Cost Analyst

- Directed comprehensive cost analysis for large-scale infrastructure initiatives.
- Implemented advanced financial tracking systems to enhance reporting accuracy.
- Facilitated workshops to educate teams on cost management best practices.
- Evaluated vendor contracts to ensure financial competitiveness and compliance.
- Developed financial KPIs to monitor project performance against budgets.
- Collaborated with finance teams to align project costs with organizational goals.

Construction Solutions LLC

Dec 2015 - Jan 2018

Cost Management Analyst

- Assisted in the development of project budgets and financial forecasts.
- Conducted risk assessments to identify potential financial impacts on projects.
- Monitored project expenditures and reported variances to management.
- Prepared comprehensive financial reports for executive review.
- Engaged with subcontractors to negotiate favorable pricing and terms.
- Analyzed historical data to inform future project budgeting strategies.

ACHIEVEMENTS

- Led a cost-saving initiative that achieved a 25% reduction in project expenditures.
- Recognized for excellence in financial analysis with a company-wide award.
- Improved forecasting accuracy by implementing a new analytical framework.
