SKILLS

- Network design
- Telecommunications
- Project management
- Compliance
- Performance optimization
- Customer engagement

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN
TELECOMMUNICATIONS ENGINEERING,
TECH UNIVERSITY, 2015**

ACHIEVEMENTS

- Achieved a 40% reduction in operational costs through innovative design approaches.
- Recognized for excellence in client satisfaction during annual reviews.
- Developed a training program that improved technician efficiency by 30%.

WORK EXPERIENCE

NETWORK INFRASTRUCTURE ENGINEER

Telecom Innovations Corp.

2020 - 2025

- Designed and implemented high-capacity network infrastructure for urban areas.
- Optimized existing network designs, resulting in a 25% increase in efficiency.
- Conducted site surveys to determine optimal locations for infrastructure deployment.
- Collaborated with software teams to integrate network solutions with applications.
- Developed operational guidelines for maintenance and troubleshooting of network systems.
- Trained technicians on installation and maintenance best practices.

INFRASTRUCTURE DESIGN ENGINEER

Network Solutions Inc.

2015 - 2020

- Engineered designs for fiber optic networks that improved data transmission rates.
- Worked closely with regulatory bodies to ensure compliance with industry standards.
- Utilized advanced modeling software to simulate network performance.
- Participated in cross-functional teams to troubleshoot and resolve infrastructure issues.
- Maintained project documentation and reporting for client transparency.
- Engaged with clients to gather requirements and provide tailored solutions.
