MICHAEL ANDERSON

TELECOM PROJECT MANAGER

Results-driven Infrastructure Development Specialist with a focus on telecommunications infrastructure. Extensive experience of more than 15 years in deploying and optimizing network solutions that enhance connectivity and user experience. Proven track record in managing large-scale projects, ensuring timely delivery, and adherence to budgetary constraints. Expertise in collaborating with technical teams to troubleshoot issues and implement effective solutions.

PROFESSIONAL EXPERIENCE

ConnectNet Solutions

Mar 2018 - Present

Telecom Project Manager

- Oversaw the rollout of fiber-optic networks across urban and rural areas.
- Implemented project management methodologies to streamline operations.
- Collaborated with engineers to design network infrastructure that maximizes efficiency.
- Led cross-functional teams to troubleshoot and resolve technical challenges.
- Monitored project budgets and schedules to ensure compliance with timelines.
- Presented project status updates to senior management and stakeholders.

Telecom Innovations Ltd.

Dec 2015 - Jan 2018

Infrastructure Engineer

- Designed telecommunications systems to enhance service delivery.
- Conducted site surveys to identify optimal locations for infrastructure deployment.
- Engaged with vendors to procure necessary equipment and materials.
- Developed technical specifications for network installations.
- Executed testing protocols to ensure system reliability and performance.
- Provided training to technical staff on new systems and technologies.

ACHIEVEMENTS

- Achieved a 25% reduction in project delivery time through process optimization.
- Successfully managed projects exceeding \$20 million in budget.
- Received 'Excellence in Project Management' award in 2021.
