MICHAEL ANDERSON

URBAN DEVELOPMENT PROJECT MANAGER

Strategic Infrastructure Project Manager with a robust background in urban development and public works projects. Demonstrates an exceptional capacity for leading multifaceted teams and orchestrating complex projects that enhance community infrastructure. Possesses a profound understanding of municipal regulations and public policy, enabling the delivery of projects that meet both functional and aesthetic requirements.

PROFESSIONAL EXPERIENCE

City Development Authority

Mar 2018 - Present

Urban Development Project Manager

- Managed urban infrastructure projects, including parks, roads, and public facilities.
- Collaborated with city planners to align project goals with community needs.
- Oversaw project budgets and schedules, ensuring adherence to public sector regulations.
- Facilitated public meetings to present project plans and gather community feedback.
- Coordinated with contractors to ensure project specifications were met.
- Utilized GIS tools for project planning and impact analysis.

Metro Public Works

Dec 2015 - Jan 2018

Project Coordinator

- Assisted in the management of public infrastructure projects, focusing on road maintenance and upgrades.
- Prepared project documentation and reports for city council presentations.
- Conducted site inspections to ensure compliance with safety and quality standards.
- Collaborated with engineering teams to develop project specifications and designs.
- Facilitated stakeholder engagement initiatives to communicate project progress.
- Monitored project timelines and budgets, providing regular updates to management.

ACHIEVEMENTS

- Successfully delivered a \$30 million community park project two months ahead of schedule.
- Awarded 'Outstanding Project Manager' by the City Council for exemplary community engagement.
- Implemented sustainability initiatives that reduced project environmental impact by 25%.
