MICHAEL ANDERSON

CREATIVE DIRECTOR OF INSTALLATIONS

Innovative Installation Artist with a distinguished career dedicated to exploring the interplay between art and technology. Recognized for creating thought-provoking installations that challenge audiences to reconsider their perceptions of space and interaction. Extensive experience in leading multidisciplinary teams to produce installations that are both visually stunning and conceptually rich.

PROFESSIONAL EXPERIENCE

Future Art Lab

Mar 2018 - Present

Creative Director of Installations

- Directed the conceptualization and execution of innovative installations for tech-driven exhibitions.
- Collaborated with engineers to incorporate interactive technologies into artwork.
- Oversaw the installation process, ensuring alignment with artistic vision and technical requirements.
- Developed partnerships with tech companies to source cutting-edge materials and tools.
- Led workshops on the fusion of art and technology for aspiring artists.
- Curated exhibitions that achieved record attendance, enhancing gallery visibility.

Art & Tech Collaborations

Dec 2015 - Jan 2018

Assistant Installation Artist

- Assisted in the development of interactive installations for public art projects.
- Conducted user experience testing to refine installation interactivity.
- Supported project management by maintaining schedules and resource allocation.
- Engaged with community members to gather feedback on installations.
- Documented installation processes for future reference and learning.
- Participated in grant writing efforts, successfully securing funding for projects.

ACHIEVEMENTS

- Recipient of the Green Arts Award for sustainable installation practices.
- Achieved a 50% increase in audience engagement through interactive installations.
- Featured speaker at the Global Conference on Art and Technology.
