MICHAEL ANDERSON

POLICY ADVISOR IN AGRICULTURE

Strategic and analytical Integrated Farming Extension Specialist with a robust background in agricultural economics and policy advocacy. Proven ability to leverage data-driven insights to inform agricultural practices and enhance farmer livelihoods. Expertise in developing and implementing training programs that align with national agricultural policies, thereby ensuring compliance and promoting best practices.

PROFESSIONAL EXPERIENCE

National Agriculture Council

Mar 2018 - Present

Policy Advisor in Agriculture

- Advised on agricultural policy reforms aimed at enhancing sector competitiveness.
- Conducted economic impact assessments of proposed agricultural initiatives.
- Engaged with stakeholders to gather input for policy development.
- Analyzed market trends to forecast agricultural commodity prices.
- Facilitated workshops on policy implementation for extension workers.
- Represented the council at national and international agricultural conferences.

Rural Development Agency

Dec 2015 - Jan 2018

Extension Services Manager

- Oversaw the delivery of extension services to over 2,000 farmers.
- Implemented training programs focused on economic sustainability.
- Conducted evaluations of extension programs to measure effectiveness.
- Developed partnerships with local businesses to enhance resource availability.
- Coordinated outreach efforts to increase awareness of agricultural policies.
- Provided technical assistance in grant writing to local farmers.

ACHIEVEMENTS

- Contributed to the drafting of a national agricultural policy adopted in 2019.
- Successfully increased funding for extension services by 35% in two years.
- Published articles in leading agricultural economics journals.
