ACHIEVEMENTS

- Developed a community outreach program that educated over 1,000 residents on pest prevention.
- Recognized as Employee of the Year in 2019 for outstanding customer service.
- Contributed to a 30% decrease in pest-related health complaints in the serviced areas.

PROFILE

Results-driven Integrated Pest Management Specialist with a solid background in urban pest control and public health. With over 7 years of experience, I have honed my skills in identifying urban pest challenges and creating tailored solutions to mitigate health risks associated with pest infestations. My work has focused on developing and implementing pest management programs in residential and commercial properties, ensuring compliance with health regulations and maximizing customer satisfaction.
