SKILLS

- User-Centered Design
- Prototyping
- Design Documentation
- Team Collaboration
- User Research
- Visual Design

EDUCATION

BACHELOR OF FINE ARTS IN DIGITAL DESIGN, SCHOOL OF DESIGN, 2019

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Played a key role in a project that received a design award for innovation.
- Increased user satisfaction scores by 20% through effective design solutions.
- Successfully completed a design internship with commendation from supervisors.

Innovative Interface Designer with a focus on creating immersive digital experiences that resonate with users. Combines technical proficiency in design software with a solid understanding of user experience principles. An advocate for user-centered design, dedicated to developing interfaces that not only meet functional requirements but also delight users. Known for a proactive approach to problem-solving and a commitment to staying abreast of industry trends and emerging technologies.

EXPERIENCE

INTERFACE DESIGNER
Future Tech Labs
2016 - Present

- Designed innovative user interfaces for cutting-edge applications, enhancing user interaction by 45%.
- Utilized user feedback to iterate on design concepts and improve usability.
- Collaborated with cross-functional teams to align design objectives with business goals.
- Created comprehensive design documentation to facilitate the development process.
- Engaged in ongoing design critique sessions to promote continuous improvement.
- Introduced new design methodologies that streamlined project workflows.

INTERFACE DESIGNER INTERN
Design Innovations
2014 - 2016

- Assisted in the design of user interfaces for various web applications.
- Participated in user research activities to gather insights for design projects.
- Created visual assets and prototypes using Adobe XD.
- Collaborated with senior designers to refine design concepts.
- Maintained project documentation to ensure design consistency.
- Contributed to team brainstorming sessions to generate creative solutions.
