EDUCATION

DOCTOR OF MEDICINE (MD), COLLEGE OF HEALTH SCIENCES

ACHIEVEMENTS

- Received 'Best Practice Award' for improving chronic disease management in 2020.
- Increased patient adherence to treatment protocols by 30% through targeted education.
- Published findings on patient satisfaction in a peer-reviewed journal.

Compassionate Internal Medicine Consultant with 12 years of experience dedicated to delivering high-quality patient care across diverse healthcare settings. I specialize in preventive medicine and chronic disease management, with a strong focus on empowering patients through education and support. My clinical experience encompasses both hospital and outpatient settings, allowing me to develop a comprehensive understanding of patient needs throughout their care journey.
