# MICHAEL ANDERSON

## GERIATRIC INTERNAL MEDICINE PHYSICIAN

Results-driven Internal Medicine Physician with a decade of experience in hospital and outpatient settings. Specialized in geriatric medicine, with a keen interest in managing chronic conditions and improving quality of life for elderly patients. Proven ability to develop comprehensive care plans and provide exceptional medical education to patients and their families.

## **PROFESSIONAL EXPERIENCE**

### **ElderCare Medical Group**

*Mar 2018 - Present*

Geriatric Internal Medicine Physician

- Conducted comprehensive geriatric assessments, improving care coordination and outcomes.
- Developed individualized care plans that enhanced functional status in elderly patients.
- Implemented fall prevention programs, reducing injury rates among patients by 25%.
- Collaborated with social workers to address social determinants of health impacting patients.
- Provided education on medication management to ensure adherence and safety.
- Participated in community outreach programs to promote health literacy among seniors.

### **Metro General Hospital**

*Dec 2015 - Jan 2018*

Internal Medicine Physician

- Managed acute and chronic illnesses in adult patients, ensuring high-quality care.
- Utilized telehealth services to expand access to care for rural patients.
- Engaged in research focused on diabetes management, contributing to clinical guidelines.
- Trained staff on best practices in chronic disease management.
- Developed patient education programs that improved understanding of disease processes.
- Conducted regular health screenings, increasing early diagnosis rates.

## **ACHIEVEMENTS**

- Recognized for reducing hospital readmissions by 30% through enhanced follow-up care.
- Published articles in peer-reviewed journals on geriatric care best practices.
- Received 'Outstanding Physician Award' for exceptional patient feedback in 2020.
