### ACHIEVEMENTS

- Increased community participation in support programs by 40% within one year.
- Recognized for developing an innovative model for community-led psychosocial support.
- Secured partnerships with local organizations to expand service delivery.

### PROFILE

Dedicated Internally Displaced Persons Coordinator with a strong background in social work and community development. Expertise in designing and implementing programs that provide psychosocial support and essential services to internally displaced individuals. Skilled in building trust-based relationships with communities, ensuring their participation in program planning and execution. Proven ability to advocate for vulnerable populations, raising awareness of their challenges and rights.

### EXPERIENCE

#### PROGRAM MANAGER

##### Hope for Humanity

2016 - Present

- Led the development and implementation of psychosocial support programs for displaced individuals.
- Trained local volunteers in community mobilization and support techniques.
- Facilitated workshops focused on trauma recovery and resilience building.
- Collaborated with health professionals to integrate mental health services into humanitarian responses.
- Managed project budgets, ensuring accountability and transparency in funding utilization.
- Conducted outreach activities to raise awareness of available support services.

#### COMMUNITY OUTREACH COORDINATOR

##### Safe Haven Initiative

2014 - 2016

- Engaged with internally displaced communities to assess their needs and priorities.
- Implemented community-based programs to enhance social cohesion.
- Coordinated with local health providers to facilitate access to healthcare services.
- Developed educational materials on rights and available resources for displaced persons.
- Monitored and evaluated program effectiveness through beneficiary feedback.
- Prepared reports for stakeholders on community engagement outcomes.
