## WORK EXPERIENCE

### Environmental Program Coordinator

2020-2023

EcoAid Foundation

- Developed and implemented environmental sustainability programs for displaced communities.
- Conducted assessments to evaluate the environmental impact of humanitarian projects.
- Facilitated workshops on sustainable practices and resource management.
- Collaborated with local governments to promote environmental policies.
- Engaged communities in reforestation and conservation initiatives.
- Monitored program outcomes and reported on environmental benefits.

### Disaster Risk Reduction Specialist

2019-2020

Resilience Partnership

- Led initiatives to integrate disaster risk reduction into humanitarian programming.
- Conducted training for local communities on disaster preparedness and response.
- Developed contingency plans for managing displacement in disaster-prone areas.
- Coordinated with agencies to enhance community resilience strategies.
- Monitored and evaluated the effectiveness of disaster risk reduction programs.
- Reported on project outcomes and best practices to stakeholders.

## ACHIEVEMENTS

- Successfully launched a community-led reforestation initiative that planted over 10,000 trees.
- Recognized for developing an innovative disaster preparedness program adopted by multiple NGOs.
- Contributed to a significant reduction in environmental degradation in displaced communities through targeted interventions.
