# MICHAEL ANDERSON

## DIRECTOR OF SECURITY POLICY

Strategically-minded International Policy Advisor with a robust background in security studies and defense policy. Expertise encompasses the analysis of global security dynamics and the development of strategic frameworks to address transnational threats. Recognized for the ability to communicate complex security issues effectively to diverse audiences, including government officials and military leaders.

## **PROFESSIONAL EXPERIENCE**

### **Department of Defense**

*Mar 2018 - Present*

Director of Security Policy

- Formulated national security policies addressing emerging global threats.
- Conducted threat assessments and developed response strategies for high-risk scenarios.
- Led inter-agency collaboration to align security objectives across federal agencies.
- Managed a team of analysts in the evaluation of security policies.
- Presented policy recommendations to senior military and government officials.
- Directed initiatives to enhance cybersecurity measures within government infrastructure.

### **Center for Strategic and International Studies**

*Dec 2015 - Jan 2018*

Policy Analyst

- Researched and analyzed geopolitical developments affecting U.S. security interests.
- Authored policy papers that informed congressional hearings on national security.
- Collaborated with think tanks to promote innovative security solutions.
- Facilitated discussions on defense policy with international military leaders.
- Evaluated the effectiveness of existing defense policies and proposed enhancements.
- Engaged with media to communicate security policy positions to the public.

## **ACHIEVEMENTS**

- Received the Defense Distinguished Service Medal for outstanding contributions to national security.
- Led a project that resulted in the creation of a new cybersecurity strategy adopted by the federal government.
- Published influential articles in leading defense journals on security policy trends.
