

MICHAEL ANDERSON

SENIOR IT ASSET ANALYST

PROFILE

Detail-oriented IT Asset Analyst with over 10 years of experience in the financial sector, specializing in asset management and compliance. My extensive background in IT finance and asset oversight has provided me with a unique perspective on optimizing investments in technology. I have a strong ability to analyze asset performance metrics and implement data-driven strategies that align with corporate financial goals.

EXPERIENCE

SENIOR IT ASSET ANALYST

Finance Innovations Ltd.

2016 - Present

- Oversaw the IT asset portfolio, ensuring compliance with financial regulations and policies.
- Analyzed asset performance metrics, contributing to a 25% increase in asset utilization rates.
- Developed and implemented asset management policies that reduced compliance risks.
- Collaborated with finance teams to optimize budget allocations for technology investments.
- Led training sessions on asset management tools for cross-departmental teams.
- Improved asset lifecycle management processes, resulting in a 15% decrease in costs.

IT ASSET COORDINATOR

Capital Markets Group

2014 - 2016

- Managed asset inventory, ensuring timely updates and compliance with corporate policies.
- Assisted in the development of financial forecasting models based on asset performance.
- Coordinated audits of IT assets, achieving a 100% compliance rate during external reviews.
- Provided technical support during asset procurement processes, enhancing vendor negotiations.
- Created and maintained detailed documentation for asset management procedures.
- Participated in cross-functional teams to align IT initiatives with business objectives.
