MICHAEL ANDERSON

PROFESSOR OF LAW AND TECHNOLOGY

Accomplished legal educator with a robust background in the intersection of law, technology, and ethics. Demonstrates an exceptional ability to adapt traditional legal education methodologies to incorporate modern technological advancements. Expertise in developing interdisciplinary programs that prepare students for the evolving demands of the legal profession in a digital age. Strong advocate for integrating practical experiences within the academic framework, ensuring students are equipped with necessary skills for success.

PROFESSIONAL EXPERIENCE

Tech University Law School   *Mar 2018 - Present*
Professor of Law and Technology

- Developed and taught courses on technology law and digital ethics.
- Led research projects on the implications of AI in legal practice.
- Organized interdisciplinary workshops with tech and legal experts.
- Mentored students in tech-focused legal initiatives and startups.
- Published research on the impact of technology on legal frameworks.
- Collaborated with industry leaders to enhance curriculum relevance.

Global Institute for Cyber Law   *Dec 2015 - Jan 2018*
Visiting Scholar

- Conducted research on international cyber law and policy.
- Presented findings at global legal conferences and workshops.
- Engaged with policymakers to inform legal standards on cybersecurity.
- Published articles in high-impact journals on cyber law issues.
- Facilitated discussions on the ethical implications of technology in law.
- Collaborated with other scholars to promote interdisciplinary research.

ACHIEVEMENTS

- Recognized for pioneering curriculum on technology and law, enhancing student engagement.
- Authored influential publications that shaped discourse on digital ethics.
- Secured grants for research on technology's impact on legal education.
