

# MICHAEL ANDERSON

Kids Costume Designer

Creative Kids Fashion Stylist with a unique focus on theatrical and costume design for children, amassing over five years of experience in the entertainment industry. Renowned for the ability to create imaginative and whimsical outfits that bring characters to life and enhance storytelling. Proficient in collaborating with directors and producers to develop costumes that align with creative visions.

## WORK EXPERIENCE

**Kids Costume Designer**

2020-2023

Imagination Stage

- Designed and created costumes for children's theater productions, enhancing overall performance quality.
- Collaborated with directors to interpret character concepts through fashion.
- Conducted fittings and alterations to ensure costumes were comfortable and functional.
- Organized workshops for children to explore costume design and creativity.
- Managed budget allocations for costume production, ensuring cost-efficiency.
- Maintained an inventory of fabrics and materials for future productions.

**Junior Stylist**

2019-2020

Theatrical Kids

- Assisted in styling young performers for various theatrical productions.
- Worked closely with senior stylists to develop character-appropriate outfits.
- Participated in costume fittings, providing input on design and functionality.
- Engaged with children to inspire creativity through costume choices.
- Contributed to the development of marketing materials for productions.
- Coordinated with production teams to ensure timely delivery of costumes.

## ACHIEVEMENTS

- Received an award for 'Best Costume Design' at the National Children's Theater Festival.
- Increased participation in workshops by 40% through engaging programming.
- Successfully styled a children's production that received critical acclaim for its visual storytelling.
