

MICHAEL ANDERSON

Custom Knife Designer

Visionary Knife Maker with a passion for artisan and custom knives, enriching the field with over 8 years of experience in bespoke knife creation. Celebrated for an artistic approach that emphasizes individuality and personal expression in knife design. Expertise in various materials and techniques, ensuring each knife not only serves a functional purpose but is also a unique piece of art.

WORK EXPERIENCE

Custom Knife Designer 2020-2023

Artisan Edge

- Designed and handcrafted custom knives tailored to client specifications.
- Utilized a variety of materials, including exotic woods and metals.
- Engaged with clients to capture their vision and preferences.
- Participated in artisan markets to showcase unique creations.
- Maintained a portfolio of work to attract potential clients.
- Collaborated with local artists to create themed knife collections.

Knife Maker Apprentice 2019-2020

Crafted Knives Co.

- Assisted master craftsmen in the knife-making process.
- Learned various techniques for blade shaping and finishing.
- Helped maintain workshop tools and equipment.
- Participated in community workshops to promote knife making.
- Developed a foundational understanding of materials used in knife making.
- Contributed to design discussions for new product ideas.

ACHIEVEMENTS

- Featured in local art galleries for innovative knife designs.
- Established a loyal client base resulting in repeat business.
- Recognized for creativity in knife design by industry peers.
