- Implemented a streamlined acquisition process that reduced timelines by 25%.

Michael Anderson

LAND ACQUISITION DIRECTOR

Seasoned Land Acquisition Manager with a strong background in public sector land management and urban development. Over 15 years of comprehensive experience in land acquisition processes, including negotiations, stakeholder engagement, and compliance with public policies. Specializes in working with governmental agencies and non-profit organizations to secure land for community development and infrastructure projects.

EXPERIENCE

LAND ACQUISITION DIRECTOR

City of Metroville

2016 - Present

- Directed land acquisition strategies for city infrastructure and public works projects.
- Negotiated land purchases and easements with private landowners.
- Collaborated with city planners to align acquisitions with urban development goals.
- Facilitated community outreach programs to inform residents about upcoming projects.
- Managed compliance with environmental and zoning regulations.
- Oversaw a team of acquisition specialists, ensuring project objectives were met.

SENIOR LAND ACQUISITION OFFICER

Metroville Housing Authority

2014 - 2016

- Led land acquisition efforts for affordable housing projects in underserved communities.
- Conducted needs assessments to identify suitable land for development.
- Negotiated terms with landowners, ensuring fair compensation.
- Engaged with community organizations to gather input on housing needs.
- Prepared reports for stakeholders detailing acquisition progress and challenges.
- Maintained compliance with federal and state housing regulations.
