ACHIEVEMENTS

- Successfully led a \$25 million urban redevelopment project that revitalized a distressed neighborhood.
- Awarded 'Best Urban Project' by the Local Development Authority for innovative land use strategies.
- Increased community engagement in urban planning processes by 50% through targeted outreach initiatives.

Strategic Land Administration Executive with comprehensive experience in urban land management and real estate development. Expertise in navigating complex zoning laws and land regulations while driving projects to successful completion. Proven track record of enhancing urban landscapes through innovative land use strategies that prioritize sustainability and community welfare. Demonstrates exceptional negotiation skills, securing advantageous agreements with landowners and stakeholders.

WORK EXPERIENCE

URBAN LAND DEVELOPMENT DIRECTOR

Metro Urban Developments

2020 - 2025

- Directed urban land development initiatives, ensuring compliance with zoning laws and community standards.
- Negotiated land acquisition agreements with multiple stakeholders, optimizing project outcomes.
- Managed interdisciplinary teams to execute large-scale urban development projects.
- Leveraged GIS technology to analyze land use patterns and inform strategic planning.
- Engaged with community members to gather input and foster support for development projects.
- Developed and implemented sustainable land use policies that enhance urban livability.

REAL ESTATE PROJECT MANAGER

Urban Realty Partners

2015 - 2020

- Managed real estate projects from site selection to completion, ensuring adherence to budgets and timelines.
- Coordinated with architects and engineers to develop innovative design solutions for urban spaces.
- Conducted market analyses to inform investment decisions and project feasibility.
- Facilitated stakeholder meetings to align project goals with community needs.
- Implemented project management tools to track progress and communicate with stakeholders.
- Prepared detailed reports for investors and city officials, showcasing project benefits and impacts.
