MICHAEL ANDERSON

URBAN POLICY ANALYST

Strategic Land Policy Analyst with a focus on urban redevelopment and housing policy. Expertise in assessing land use regulations and their implications for affordable housing initiatives. Proven ability to synthesize complex data into actionable policy recommendations that drive urban revitalization efforts. Extensive experience collaborating with city planners, developers, and community organizations to ensure stakeholder needs are met.

PROFESSIONAL EXPERIENCE

City Planning Department, Los Angeles   *Mar 2018 - Present*
Urban Policy Analyst

- Analyzed urban land use policies to identify barriers to affordable housing development.
- Collaborated with developers to create housing projects that align with city planning goals.
- Facilitated community engagement initiatives to gather input on land use proposals.
- Conducted market analyses to inform land use planning and zoning adjustments.
- Drafted recommendations for policy changes to enhance housing accessibility and affordability.
- Presented findings to city council, advocating for strategic urban redevelopment initiatives.

California Housing Partnership   *Dec 2015 - Jan 2018*
Housing Policy Coordinator

- Developed policy frameworks to promote affordable housing in urban areas.
- Conducted feasibility studies on land acquisition for housing projects.
- Engaged with community stakeholders to address housing needs and advocate for policy reforms.
- Utilized GIS mapping to visualize land use patterns and identify opportunities for development.
- Authored reports on housing policy trends, influencing state-level housing strategies.
- Collaborated with non-profits to secure funding for affordable housing initiatives.

ACHIEVEMENTS

- Led a successful campaign that resulted in a 25% increase in affordable housing units in Los Angeles.
- Received the 'Urban Innovation Award' for contributions to sustainable city planning.
- Presented at national conferences, sharing insights on urban housing policy and land use challenges.
