- Presented research findings at international forums, enhancing global awareness of indigenous land rights issues.

WORK EXPERIENCE

INDIGENOUS LAND RIGHTS ADVOCATE

Native American Rights Fund

2020 - 2025

- Conducted research on indigenous land rights issues, providing policy recommendations to enhance legal protections.
- Facilitated workshops with indigenous communities to gather input on land use policies affecting their lands.
- Collaborated with legal teams to advocate for the recognition of indigenous land claims.
- Utilized GIS tools to visualize land use changes impacting indigenous territories.
- Authored reports highlighting the intersection of land policy and environmental justice.
- Engaged with local governments to promote equitable land use practices.

POLICY RESEARCH ANALYST

Environmental Justice Coalition

2015 - 2020

- Conducted assessments of land use policies impacting marginalized communities.
- Collaborated with community organizations to advocate for equitable land management practices.
- Performed data analyses to support policy initiatives aimed at environmental justice.
- Engaged with policymakers to promote the integration of indigenous perspectives in land use planning.
- Authored policy briefs on the implications of land use regulations for social equity.
- Presented findings at conferences focused on land rights and environmental justice.
