- Developed an outreach program that improved community awareness of land use regulations by 40%.

### PROFILE

Strategic and highly analytical Land Use Administration Officer with extensive experience in land management and environmental compliance. Strong background in conducting feasibility studies and developing land use plans that align with both regulatory requirements and community aspirations. Proven expertise in navigating the complexities of land use legislation and fostering collaborative relationships with stakeholders, including governmental bodies, private developers, and community groups.

### EXPERIENCE

#### LAND USE DEVELOPMENT COORDINATOR

##### Metropolitan Planning Organization

*2016 - Present*

- Oversaw the coordination of land use development projects across multiple municipalities.
- Conducted risk assessments to identify potential environmental impacts of proposed developments.
- Engaged with community stakeholders to gather input and address concerns regarding land use plans.
- Developed comprehensive reports to guide decision-making processes for land use approvals.
- Utilized spatial analysis tools to visualize land use scenarios and outcomes.
- Facilitated inter-agency meetings to streamline land use project approvals.

#### ENVIRONMENTAL COMPLIANCE SPECIALIST

##### Environmental Protection Agency

*2014 - 2016*

- Monitored land use practices to ensure compliance with environmental regulations.
- Conducted inspections and assessments of land development sites.
- Provided guidance to developers on best practices for sustainable land use.
- Collaborated with legal teams to address compliance violations.
- Prepared detailed documentation for regulatory reviews and audits.
- Developed training materials on environmental compliance for internal staff.
