Dedicated and knowledgeable Land Use Administration Officer with a strong commitment to promoting sustainable land use practices and community involvement. Extensive experience in land use planning and policy development, particularly in urban settings. Proven ability to analyze complex data sets and translate findings into actionable land use strategies. Strong communicator with a talent for facilitating discussions among diverse stakeholders to foster collaboration and consensus.

WORK EXPERIENCE

Land Use Planner   2020-2023

City Planning Department

- Developed comprehensive land use plans in collaboration with community stakeholders.
- Analyzed zoning regulations and proposed amendments to enhance land use efficiency.
- Facilitated public meetings to inform and engage citizens in the planning process.
- Prepared reports and presentations for city councils and planning commissions.
- Utilized GIS tools to analyze land use patterns and project future growth.
- Coordinated with environmental agencies to ensure compliance with regulations.

Assistant Planner   2019-2020

Regional Development Authority

- Supported the development of regional land use plans and strategies.
- Conducted assessments of land use compliance and environmental impacts.
- Participated in community workshops to gather input on planning initiatives.
- Utilized data analysis tools to inform land use recommendations.
- Assisted in preparing documentation for land use applications.
- Collaborated with various departments to align land use goals.

ACHIEVEMENTS

- Contributed to the successful adoption of a new zoning ordinance that improved land use efficiency by 20%.
- Received the 'Community Engagement Award' from the City Council in 2021.
- Increased participation in public planning meetings by 45% through innovative outreach strategies.
