MICHAEL ANDERSON

LANDSCAPE PROJECT MANAGER

Dynamic Landscape Artist with a proven ability to enhance the functionality and aesthetic appeal of outdoor spaces through innovative design and strategic planning. Expertise encompasses both residential and commercial landscapes, with a focus on creating environments that promote sustainability and enhance user experience. Strong background in horticulture and environmental science informs the design process, ensuring that all projects are not only visually captivating but also ecologically responsible.

PROFESSIONAL EXPERIENCE

NatureScape Designs

Mar 2018 - Present

Landscape Project Manager

- Led multiple landscape projects simultaneously, ensuring timely and within-budget delivery.
- Coordinated with clients to define project scope and objectives.
- Implemented project management software to track progress and resources.
- Oversaw quality control throughout the project lifecycle.
- Facilitated site inspections and adjusted designs based on site conditions.
- Developed training programs for project staff on best practices.

Green Thumb Landscapes

Dec 2015 - Jan 2018

Landscape Designer

- Designed functional outdoor spaces that enhance usability and aesthetic appeal.
- Conducted site assessments to inform design decisions and plant selection.
- Collaborated with clients to customize designs based on personal preferences.
- Utilized GIS software for spatial analysis and design planning.
- Managed procurement of materials and plant species for projects.
- Developed maintenance plans to ensure long-term sustainability of designs.

ACHIEVEMENTS

- Completed over 100 landscape projects with a 98% client satisfaction rate.
- Introduced a new project tracking system that improved efficiency by 20%.
- Recognized as 'Employee of the Year' for outstanding project delivery in 2019.
