### ACHIEVEMENTS

- Recipient of the 'Excellence in Landscape Design' award in 2021.
- Successfully reduced project costs by 15% through strategic vendor negotiations.
- Implemented a recycling program that diverted 60% of waste from landfills.

### PROFILE

An accomplished Landscape Production Specialist with over 15 years of experience in executing and managing diverse landscaping projects, this professional has a profound understanding of ecological practices and landscape aesthetics. Expertise encompasses the integration of innovative design concepts with practical execution strategies, ensuring both visual appeal and sustainability. Demonstrated ability to lead cross-functional teams in high-pressure environments while maintaining a focus on quality and client satisfaction.

### EXPERIENCE

#### LANDSCAPE OPERATIONS DIRECTOR

##### Nature's Touch Landscaping

*2016 - Present*

- Directed all operations for a leading landscaping firm with annual revenues exceeding \$5M.
- Implemented project management software to streamline operations and enhance communication.
- Developed comprehensive training programs for staff on landscape installation and maintenance.
- Led the transition to sustainable practices, achieving a 40% reduction in carbon footprint.
- Coordinated with architects and engineers to create cohesive design plans.
- Monitored project progress and provided strategic guidance to ensure adherence to budgets.

#### SENIOR PROJECT MANAGER

##### Green Horizons

*2014 - 2016*

- Managed multiple landscape projects simultaneously, ensuring timely completion.
- Conducted risk assessments to mitigate potential project delays.
- Facilitated client meetings to discuss project updates and gather feedback.
- Supervised the installation of irrigation systems and plant selections.
- Maintained quality control throughout project lifecycles.
- Evaluated contractor performance and negotiated service contracts.
