# Michael Anderson

## RESIDENTIAL LANDSCAPE DESIGNER

A highly skilled Landscape Production Specialist with a robust background spanning over 9 years in the landscape management sector. This individual is recognized for exceptional project execution capabilities, particularly in residential landscaping and outdoor living spaces. Demonstrates a keen understanding of client needs and preferences, translating them into practical and visually appealing outdoor solutions.

## EXPERIENCE

### RESIDENTIAL LANDSCAPE DESIGNER

Backyard Bliss

2016 - Present

- Designed custom landscape plans tailored to client specifications and budgets.
- Utilized 3D modeling software to provide clients with visual previews of designs.
- Managed installations, ensuring adherence to design and quality standards.
- Conducted follow-up consultations to assess client satisfaction post-installation.
- Coordinated with subcontractors for specialized installations, such as patios.
- Maintained project schedules to ensure timely completion of work.

### LANDSCAPE MAINTENANCE COORDINATOR

Green Oasis

2014 - 2016

- Oversaw the maintenance of residential landscapes, ensuring plant health and aesthetics.
- Scheduled regular maintenance visits and coordinated team assignments.
- Developed tailored maintenance plans based on client needs and seasonal changes.
- Trained team members on proper landscaping techniques and equipment use.
- Managed client communications to address concerns and adjustments.
- Implemented pest control measures to protect plant health and integrity.
