WORK EXPERIENCE

Sustainable Landscape Consultant

2020-2023

Earth Friendly Landscapes

- Consulted with clients to design sustainable landscaping solutions for residential properties.
- Recommended native plant species to promote biodiversity and reduce water usage.
- Developed maintenance plans that emphasized eco-friendly practices.
- Conducted workshops on sustainable landscaping techniques for community groups.
- Collaborated with local governments to promote green initiatives.
- Evaluated landscape projects for environmental impact and sustainability.

Landscape Maintenance Technician

2019-2020

GreenScape Solutions

- Performed landscape maintenance tasks, ensuring optimal plant health.
- Assisted in the installation of irrigation systems and water management solutions.
- Worked with clients to customize maintenance plans based on preferences.
- Maintained equipment and tools to ensure safe and efficient operations.
- Participated in the design and implementation of seasonal displays.
- Documented maintenance activities and reported on plant health.

ACHIEVEMENTS

- Recognized for implementing a community garden project that engaged over 100 residents.
- Achieved a 50% increase in client satisfaction ratings through personalized service.
- Successfully designed and executed a landscape project that received local media coverage.
