MICHAEL ANDERSON

LEAD BUSINESS ANALYST

Visionary Lead Business Analyst with extensive experience in the healthcare sector, specializing in the integration of technology solutions to enhance patient care delivery. Proven ability to analyze complex healthcare data and translate findings into strategic initiatives that improve operational efficiencies and patient outcomes. Strong leadership skills demonstrated through successful management of multidisciplinary teams and large-scale projects.

PROFESSIONAL EXPERIENCE

Health Innovations Inc.

Mar 2018 - Present

Lead Business Analyst

- Led the development of a new electronic health record system, improving patient data accessibility.
- Facilitated stakeholder workshops to gather insights on user requirements and system functionalities.
- Conducted data analyses to identify trends in patient care and operational performance.
- Collaborated with IT departments to ensure integration with existing healthcare systems.
- Developed training programs for staff on new technology implementations.
- Monitored project progress, ensuring milestones were met on schedule.

Care Solutions Group

Dec 2015 - Jan 2018

Business Analyst

- Analyzed patient feedback to enhance service delivery and patient satisfaction.
- Created reports on operational efficiencies, leading to a 15% reduction in wait times.
- Worked with clinical teams to define and document business requirements.
- Implemented performance metrics to track improvements in patient care.
- Supported the rollout of telehealth services, expanding access to care.
- Engaged in continuous improvement initiatives to streamline processes.

ACHIEVEMENTS

- Improved patient satisfaction scores by 30% through technology enhancements.
- Led a project that reduced operational costs by \$2M annually.
- Received 'Best Practice Award' for innovative healthcare solutions.
