# MICHAEL ANDERSON

## LEAGUE TECHNOLOGY MANAGER

Innovative and forward-thinking League Operations Manager with a strong background in technology integration within sports management. Specializes in utilizing cutting-edge technologies to streamline operations and enhance fan engagement. Proven expertise in project management and strategic planning, ensuring that organizational goals are met efficiently and effectively. Adept at fostering relationships with key stakeholders, including teams, sponsors, and community organizations.

## PROFESSIONAL EXPERIENCE

### **TechSports League**

*Mar 2018 - Present*

League Technology Manager

- Led the integration of new technology platforms to enhance league operations and fan experiences.
- Developed a mobile app that increased fan engagement by 45% during events.
- Managed a budget for technology upgrades, ensuring cost-effective solutions.
- Collaborated with IT teams to ensure seamless implementation of new systems.
- Conducted training sessions for staff on new technologies and processes.
- Established metrics to assess the effectiveness of technology initiatives.

### **National League of Sports**

*Dec 2015 - Jan 2018*

Operations Coordinator

- Coordinated logistics for league events, ensuring all operational aspects were executed flawlessly.
- Assisted in the development of operational policies that improved efficiency by 20%.
- Managed vendor relationships, negotiating contracts to ensure quality service delivery.
- Conducted post-event analyses to evaluate success and identify areas for improvement.
- Trained volunteers and staff on operational procedures, enhancing team performance.
- Implemented an online registration system that streamlined participant sign-ups.

## ACHIEVEMENTS

- Increased operational efficiency by 50% through the implementation of new technologies.
- Recognized for 'Best Use of Technology' at the Annual Sports Management Awards in 2023.
- Successfully launched a new online platform that attracted over 10,000 new users in its first month.
