MICHAEL ANDERSON

LEARNING ASSESSMENT DIRECTOR

As a dedicated Learning Assessment Specialist with 12 years of experience in the higher education sector, I focus on enhancing academic excellence through effective assessment strategies. My background in educational psychology equips me with a unique perspective on student learning and assessment practices. I excel at developing assessments that accurately reflect student knowledge and skills while also promoting critical thinking and problem-solving abilities.

PROFESSIONAL EXPERIENCE

University of Knowledge

Mar 2018 - Present

Learning Assessment Director

- Oversaw the development and implementation of university-wide assessment policies.
- Utilized psychometric methods to analyze assessment data and improve reliability.
- Collaborated with academic departments to ensure alignment with institutional goals.
- Trained faculty on effective assessment techniques and practices.
- Conducted workshops on interpreting assessment results for curriculum development.
- Improved student retention rates by 15% through targeted assessment interventions.

City College

Dec 2015 - Jan 2018

Assessment Analyst

- Developed and administered assessments for various academic programs.
- Analyzed student performance data to identify areas for improvement.
- Collaborated with faculty to revise assessments for enhanced effectiveness.
- Implemented feedback loops to continuously improve assessment practices.
- Presented assessment findings to stakeholders to drive data-informed decisions.
- Increased assessment participation rates by 25% through strategic outreach.

ACHIEVEMENTS

- Awarded the 'Excellence in Assessment' award by the National Education Association.
- Published articles on effective assessment strategies in academic journals.
- Led initiatives that resulted in a 20% increase in student satisfaction with assessments.
