Michael Anderson

LEARNING ASSESSMENT CONSULTANT

I am a passionate Learning Assessment Specialist with over 9 years of experience in the nonprofit sector, focusing on educational program evaluation and assessment. My work has primarily involved developing assessments that measure the effectiveness of educational initiatives aimed at underserved communities. I have a strong commitment to social justice in education and believe that effective assessment practices can drive positive change.

EXPERIENCE

LEARNING ASSESSMENT CONSULTANT

Community Education Partners

2016 - Present

- Developed culturally relevant assessments for educational programs serving diverse communities.
- Conducted program evaluations to measure impact on student learning outcomes.
- Collaborated with educators to refine assessment strategies based on community needs.
- Facilitated training workshops on equitable assessment practices.
- Utilized qualitative and quantitative data to inform program improvements.
- Increased program effectiveness ratings by 20% through strategic assessment initiatives.

ASSESSMENT COORDINATOR

Education for All

2014 - 2016

- Designed assessments for educational outreach programs targeting at-risk youth.
- Analyzed assessment data to identify barriers to learning and success.
- Worked with educators to implement feedback loops for continuous improvement.
- Increased community engagement through informative assessment reports.
- Facilitated focus groups to gather input from students and families.
- Improved program enrollment rates by 15% through targeted outreach efforts.
