EDUCATION

MASTER OF ARTS IN EDUCATIONAL PSYCHOLOGY, STATE UNIVERSITY

ACHIEVEMENTS

- Implemented a new assessment framework that increased overall student performance by 30% within two years.
- Awarded 'Best Practices in Education' for innovative curriculum development strategies.
- Successfully secured grant funding for educational programs focused on underperforming students.

PROFILE

Results-driven Learning Outcomes Specialist with over 10 years of experience in K-12 education. Specializing in curriculum design and educational assessment, I have a proven ability to develop effective learning strategies that meet state standards and enhance student learning. My background in educational psychology allows me to understand diverse learner needs and implement tailored interventions that promote academic success.

EXPERIENCE

ASSESSMENT COORDINATOR

Springfield School District

2016 - Present

- Led the development and implementation of district-wide assessments for K-12 students.
- Analyzed assessment data to inform instructional practices and improve student outcomes.
- Provided training for teachers on effective assessment strategies and data utilization.
- Collaborated with faculty to design individualized learning plans for struggling students.
- Facilitated workshops focused on aligning curriculum with state standards and assessment requirements.
- Managed communication with parents regarding assessment results and student progress.

CURRICULUM SPECIALIST

Bright Futures Academy

2014 - 2016

- Designed and revised curriculum materials to enhance student engagement and learning outcomes.
- Implemented data-driven instructional practices that resulted in a 25% increase in student proficiency scores.
- Conducted classroom observations to provide feedback and support to teachers.
- Developed professional development programs aimed at improving teaching effectiveness.
- Collaborated with community stakeholders to align school initiatives with local educational needs.
- Utilized technology to create engaging and interactive learning experiences for students.
