Michael Anderson

PROGRAM EVALUATION SPECIALIST

Innovative Learning Outcomes Specialist with over 6 years of experience in the nonprofit sector, focusing on educational program development and evaluation. I have a strong commitment to advancing educational equity and improving learning opportunities for underserved populations. My experience includes designing and implementing programs that promote academic achievement through strategic partnerships and community engagement.

EXPERIENCE

PROGRAM EVALUATION SPECIALIST

Community Learning Foundation

2016 - Present

- Conducted evaluations of educational programs to measure effectiveness and impact on student outcomes.
- Collaborated with community partners to align program goals with local educational needs.
- Developed data collection tools that streamlined evaluation processes and improved data quality.
- Facilitated stakeholder meetings to discuss findings and promote data-informed decision-making.
- Provided training to staff on program evaluation methodologies and best practices.
- Led initiatives that resulted in a 30% increase in program participation rates.

EDUCATIONAL PROGRAM MANAGER

Youth Empowerment Project

2014 - 2016

- Designed and implemented educational programs aimed at improving academic outcomes for at-risk youth.
- Monitored program effectiveness through regular assessments and adjustments.
- Collaborated with educators to create engaging curriculum that meets diverse learner needs.
- Secured funding for educational initiatives through grant writing and community partnerships.
- Organized community events to promote educational resources and engage families.
- Developed success metrics that demonstrated a 25% increase in program effectiveness.
