

# MICHAEL ANDERSON

## LEARNING RESEARCH COORDINATOR

### PROFILE

I am a passionate Learning Researcher with over 10 years of experience in higher education. My career has been dedicated to understanding the dynamics of student learning and the application of research-based strategies to enhance educational outcomes. At DEF University, I implemented a longitudinal study on the impact of collaborative learning environments, which led to a 25% increase in course completion rates.

### EXPERIENCE

#### LEARNING RESEARCH COORDINATOR

##### DEF University

2016 - Present

- Coordinated a longitudinal study on collaborative learning, achieving a 25% increase in course completion rates.
- Developed workshops for faculty focused on best practices in student engagement and assessment.
- Analyzed student performance data to identify areas for curriculum improvement, leading to a 15% increase in student satisfaction.
- Collaborated with academic departments to align research findings with instructional strategies.
- Published research reports that influenced university policy on teaching methods.
- Mentored graduate students in research methodology, enhancing their professional development.

#### INSTRUCTIONAL DESIGNER

##### GHI Learning Corp

2014 - 2016

- Designed and implemented online learning modules that improved learner engagement by 40%.
- Conducted needs assessments to tailor educational programs to diverse learner populations.
- Utilized LMS analytics to evaluate course effectiveness and guide future developments.
- Collaborated with subject matter experts to create high-quality educational content.
- Facilitated focus groups to gather user feedback, leading to enhancements in course delivery.
- Provided training and support for faculty on integrating technology in their teaching.
