

# MICHAEL ANDERSON

## LEATHER BOOT DESIGNER

### PROFILE

Demonstrating a profound commitment to traditional leatherworking techniques, a seasoned Leather Boot Maker with a robust background spanning over eight years in crafting premium leather footwear. Specializes in the integration of ergonomic principles into design, ensuring comfort without compromising style. Proficient in the use of both manual and digital tools, allowing for meticulous attention to detail in each handcrafted piece.

### EXPERIENCE

#### LEATHER BOOT DESIGNER

##### Classic Leather Works

2016 - Present

- Designed custom leather boots, focusing on ergonomic fitting and aesthetic appeal.
- Led a team of artisans to enhance product offerings while adhering to budget constraints.
- Utilized CAD software to create and refine boot designs, improving accuracy.
- Conducted market research to identify contemporary trends and customer preferences.
- Developed comprehensive training materials for new hires on traditional leather techniques.
- Coordinated with suppliers to source sustainable leather materials for production.

#### JUNIOR BOOT MAKER

##### Heritage Leather Studio

2014 - 2016

- Assisted in the crafting of bespoke leather boots, focusing on precision and quality.
- Maintained workshop tools and materials ensuring an organized workspace.
- Participated in customer fittings to ensure satisfaction with final products.
- Documented production processes to maintain consistency and quality.
- Engaged in community outreach to promote the craft of leatherworking.
- Collaborated with marketing to create promotional materials highlighting craftsmanship.
