Michael Anderson

MASTER LEATHER CRAFTSMAN

Seasoned Leather Craftsman with a rich background in traditional leatherworking techniques. Expertise in crafting high-quality leather goods that reflect both durability and artistry, appealing to a broad market. Proven success in managing small teams and overseeing the complete leather production process from design to delivery. Strong interpersonal skills facilitate effective communication with clients, ensuring their visions are realized in the final product.

EXPERIENCE

MASTER LEATHER CRAFTSMAN

Timeless Leather Goods

2016 - Present

- Oversaw all aspects of leather production, from design to final product.
- Trained apprentices in traditional leatherworking techniques.
- Ensured quality control measures were consistently met.
- Developed custom designs based on client requests.
- Maintained relationships with suppliers to ensure high-quality materials.
- Participated in local craft fairs to promote products.

LEATHER ARTISAN

Heritage Craft Leather

2014 - 2016

- Crafted a variety of leather products, including bags and wallets.
- Managed client orders from conception through delivery.
- Conducted leather workshops to engage with the community.
- Utilized traditional techniques to ensure product authenticity.
- Maintained accurate inventory records for materials.
- Collaborated with local artists to create unique pieces.
