WORK EXPERIENCE

Footwear Designer

2020-2023

Trendsetters Footwear

- Designed seasonal footwear collections that reflect current fashion trends.
- Utilized CAD software to create detailed design specifications.
- Collaborated with marketing to develop promotional strategies for new products.
- Conducted market analysis to inform design decisions.
- Oversaw production processes to ensure quality and adherence to timelines.
- Participated in client fittings to ensure optimal product fit and comfort.

Leather Artisan

2019-2020

Classic Craft Footwear

- Crafted leather footwear using both traditional and modern techniques.
- Maintained high standards of quality throughout the production process.
- Assisted in the development of new styles based on client feedback.
- Trained apprentices in various aspects of leather working.
- Managed inventory and sourcing of raw materials.
- Participated in community outreach programs to promote craftsmanship.

ACHIEVEMENTS

- Increased product line diversity by introducing 15 new styles in one year.
- Recipient of the 'Innovative Design Award' at the National Footwear Conference in 2020.
- Enhanced customer satisfaction ratings by 25% through improved product fit.
