# MICHAEL ANDERSON

## QUALITY ASSURANCE INSPECTOR

Highly skilled Leather Quality Inspector with a robust background in leather processing and quality evaluation. Proficient in conducting detailed inspections and assessments to guarantee compliance with industry standards and client specifications. Expertise in utilizing modern inspection technologies to enhance the accuracy of quality evaluations. Demonstrated ability to collaborate effectively with production teams to troubleshoot quality issues and implement corrective measures.

## PROFESSIONAL EXPERIENCE

### **LeatherCraft Industries**

*Mar 2018 - Present*

Quality Assurance Inspector

- Executed systematic inspections of leather materials at various production stages.
- Utilized digital measurement tools to assess product specifications against standards.
- Documented inspection findings and communicated issues to production teams.
- Assisted in the development of quality control documentation.
- Participated in the implementation of lean manufacturing principles.
- Conducted training sessions on quality standards for production staff.

### **Classic Leather Co.**

*Dec 2015 - Jan 2018*

Leather Inspector

- Performed inspections on leather hides to identify defects and quality issues.
- Maintained detailed records of inspected materials and outcomes.
- Collaborated with suppliers to ensure quality compliance of incoming materials.
- Conducted visual inspections of finished products prior to shipping.
- Assisted in developing quality benchmarks for leather products.
- Engaged in continuous improvement initiatives to enhance product quality.

## ACHIEVEMENTS

- Reduced inspection times by 15% through the introduction of new inspection protocols.
- Played a key role in achieving a 98% customer satisfaction rating.
- Received commendation for contributions to quality assurance from management.
